EXPLORE

EXPLORE THE NORTH AMERICAS'S TOP RESOURCES HUB FOR MINING INVESTMENTS, CRITICAL MINERALS, HYDROGEN & TECHNOLOGY OPPORTUNITIES IN TORONTO IN A SECURE FINANCIAL & INVESTMENT FRAMEWORK THAT SUPPORTS MINERAL RESOURCES STRATEGY ACROSS MINING AND ENERGY INDUSTRIES

Now in its 5th year, **Mining Investment North America has grown to become the premium mining investment & capital raising conference and exhibition in North America.** The core of our event has been to connect heads of mining companies, representatives of regional executive authorities, investment funds, banks, industry associations, service companies and equipment producers via personalised networking platforms, social events and **1-2-1 meetings**.

Besides mining **investment trends, exploration opportunities, precious, base & bulk metals, M&A outlook, financing models, CSR and commodities forecasts**, we have also been highlighting the latest **technological innovations** that will transform the industry. We have also included **critical minerals** and **hydrogen** that play a crucial role in the **global energy market's transition to a low-carbon economy**.

At Mining Investment North America you will be able you to network with colleagues from all around the globe, hear expert analysis, secure deals, and debate the latest opportunities and challenges of the industry.

Join us in Toronto or connect via our digital platform.

NETWORKING

NETWORKING MEALS AND EVENING DRINKS RECEPTION

Food and drinks always make excellent conversation starters. Hence Mining Investment Conferences devotes substantial time to create the perfect environment for relaxed, casual networking meals and drinks.

With no set time limit on how long each meeting should last, attendees can freely mingle and discover new opportunities and contacts. The team is also on site to match make attendees based on their common business profiles or objectives.

EXHIBITION FLOOR

At Mining Investment Conferences, the exhibition floor provides attendees the perfect opportunity to discover the latest mining projects and new discoveries and experience the latest technological gadgets and applications in person. Speak to mining companies CEOs and discuss the feasibility of the projects and financing options. At the sane time witness how latest innovations can be applied to enhance various processes in the mining sector, in ways never even previously thought possible.

DISCUSSIONS

We all have our pet topics and interests and some of us prefer sharing what we know with others in a small group settings.

Roundtable discussions, with country, commodity or other mining specific topics, presents a perfect platform for more cosy intellectual discussions. Moreover, conversations with other like-minded individuals provides a great opportunity to exchange viewpoints and foster new business contacts.

1-2-1 MEETINGS

Undivided one to one attention is a tried and tested networking method. They can be a great platform to have confidential, direct and targeted conversations. Mining Investment Conferences, with the help of the virtual business matching tool or on site staff introductions, facilitate such networking opportunities.
